CHARITY GIVING GUIDE

Cover from 2010 Wishbook

Wish Lists and Volunteer Needs
of 150 local charities

Your donations can make wishes come true.

Rochester's Charity Giving Guide

The Community Wishbook is a guide to the needs of more than 150 charities in and around Rochester, NY. It includes each charity's contact information, purpose, items needed and volunteer opportunities.

Individuals, groups, and businesses can use the Wishbook to find charities that need their donated items or volunteer help. For updates throughout the year, see the website at communitywishbook.org.

THANKS to everyone who has donated still-useful **ITEMS**,
and to **VOLUNTEERS** who help local agencies.

The Community Wishbook was established in Rochester, NY, in 1966 by the Volunteer Forum and the American Red Cross. It was maintained as an annual publication through the years until 1996 by the Junior league of Rochester, and by The Greater Rochester Section of the National Council of Jewish Women.

In 1999, local volunteers formed Helping Community Charities, for the purpose of collecting, indexing and publishing information from local charities on the website (communitywishbook.org), and in printed form. If you have questions, please contact Nona Maurer at wishbook.roc@gmail.com.

Thanks to our Wishbook website support organization, awndrewage@gmail.com, for developing custom software that extracts information from the website to make this printed version possible.
